The new Woodwind with Wifi and PID controller will make the choir sing with delight. Combined with the new Camp Chef Connect App, you have the ability to change the temperature, adjust smoke levels, set timers and receive notifications when your meat reaches your set temperature, all from the palm of your hand. Loaded with features like Slide & Grill Technology, Ash Kickin' Cleanout, and Smoke Control, being the neighborhood grill master has never been so easy.

CAMP CHEF
WOODWIND
 WIFI PELLET GRILL

KEY FEATURES:

WiFi Controller NEW

Full-color PID controller allows you to control the temperature and smoke levels. Easily connects to your mobile device via the Camp Chef app.

Smoke Settings NEW

Control how much smoke you incorporate into your cook by adjusting the Smoke Number with the push of a button.

Slide & Grill Technology

Switch between Direct and Indirect Flame mode for grill surface temperatures up to 650°F.

Ash Cleanout System

Easily clean out the burner and dispose of ashes.

Side Attachment Compatible

Side shelf can be replaced by the Camp Chef **Sear Box** or **Sidekick** attachment.

SIDEKICK

PELLET GRILL ATTACHMENT

Easily change out accessories to fully customize your Sidekick for almost limitless cooking options. From bake to boil, or saute and sear. You will soon expand your outdoor menu to include all of your favorite recipes... and much, much more.
