WARNING

Failure to follow all of the manufacturer's instructions could result in hazardous fires, explosions, property damage, or serious personal injury or even death

CAUTION

- Do not try to start this pellet grill without reading and understanding the safety risks and instructions for use, outlined in this safe use and care manual.
- In direct sun, and in operation, your pellet grill's painted steel parts can become very hot, touching any of the surfaces without protective gloves may cause burns.
- Some parts may contain sharp edges. Wear protective gloves during assembly and usage of this appliance.

DANGER

- Never use gasoline or lighter fluid to manually light your grill.
- Failure to follow these safeguards may result in serious injury or even death.
- This appliance must not be operated unattended.
- Keep children and pets away from grill.
- For residential use only. Do not use for commercial cooking.

ELECTRICAL SAFETY & WARNINGS

- Hazardous voltage can shock, burn or cause death. Do not immerse cord in water or other liquids.
- Only plug this appliance into a gfci protected circuit. Use only extension cords approved for outdoor use market with w-a and rated for the power of this appliance.
- Keep the electrical supply cord away from any heated surface.
- Unplug from the outlet when not in use and before cleaning or servicing.

FIRE SAFETY

- Do not move appliance while hot or in use.
- If you experience a fire do not throw water. Do not try to smother the fire.
- Unplug the electrical cord or extension cord, and call the fire department.

WOOD PELLET WARNINGS

- For use with natural hardwood pellets for grilling. Never use heating pellets or charcoal pellets with this grill.
- Always store wood pellets in a dry location, away from heat-producing appliances and other fuel containers, in a sealed container.
- To dispose of ashes always wait until cooled before placing in a non-combustible, metal container with lid. Check with local authorities for proper disposal.

CALIFORNIA PROPOSITION 65 WARNING

 **WARNING:** This product can expose you to chemicals including lead and lead compounds, which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov

 **WARNING: CONTAINS LEAD. MAY BE HARMFUL IF EATEN OR CHEWED. COMPLIES WITH FEDERAL STANDARDS. KEEP OUT OF REACH OF CHILDREN.**

A MAJOR CAUSE OF FIRES IS FAILURE TO MAINTAIN REQUIRED CLEARANCES (AIR SPACE) TO COMBUSTIBLE MATERIALS. IT IS OF UTMOST IMPORTANCE THAT THIS PRODUCT BE INSTALLED ONLY IN ACCORDANCE WITH THESE INSTRUCTIONS.

⚠ WARNING

When operating this grill, maintain a minimum distance of 18" (45.72 cm) on all sides, from a dwelling, walls, aluminum siding, windows, fencing and any other combustible material.

⚠ WARNING

When operating this grill under overhead combustible, a minimum of 40" (101.6 cm) is required.
